## New Management at WT

Starting August 1, 2008, our professional management company will be Investors Property Management Group, or IPMG, Inc. Your financial information will transfer smoothly to the new company. At some point, they will send you introductory information. Please come meet them in person at the August board meeting, Thursday August 14.

## Smokers: Good News!

At the north entrance, in the corner by the garden, there is a brand new cigarette disposal stand. It's just for YOU.

## OOPS! Have an accident at WT?

Please fill out an Accident Report Form, found under the mailboxes, and turn it in to the office *immediately* so we can correct any problem. We want to help keep you safe!

## New Washing Machines

Did you notice the four new front-loading washers specify using HP (high performance) detergent only? Look for any brand with HP on it. It will make fewer suds and still remove that ring around the collar.

Our Committees are: Board of Directors  
Architecture/Design  
Maintenance, Green, Web Site

Your good ideas and input on these committees are welcome. Come have fun volunteering with us. Please call Tyler, board president, 684-4951.

## Happening Green Things

Think *GREEN* for our garbage rooms!

- Wrap all garbage in plastic bags only and secure tightly.
- Place newspapers and old magazines on the shelf.
- Books and recent magazines can be donated to the Friends of the Library. Take them to the lower level of the *library* parking garage. Please do NOT leave books, magazines or personal unwanted items anywhere in WT!
- Take recyclables outside to the bin, i.e. cardboard, plastic, glass, tin cans, paper.
- Does your pizza box have a grease stain? If so, it is not recyclable and goes in the garbage.
- Place garbage out by 8 a.m. on Fridays for take away to avoid the weekend odors.
- Turn off lights upon leaving.

*Hooray for Green!*
